Alberta

# Directory 2007

Alberta's Agricultural Processing Industry

## FOREWORD

The Business Expansion and Commercialization Division of Alberta Agriculture and Food presents Alberta's Agricultural Processing Industry Directory as a reference for use by the business community, government agencies and other interested parties. It serves to update users with current company information including contact personnel, products and brand names.

The directory has been divided into four sections.

**1. Alberta's Agricultural Processing Industry**

Includes a summary of key contacts and services available to the agri-processing industry from Alberta Agriculture and Food and other partners and an overview of the value of the agricultural processing industry in Alberta, including statistical tables and charts.

**2. Alphabetical Product Index**

Companies are listed according to broad product categories. Page numbers are provided for easy access to the complete company information.

**3. Alphabetical Listing of Alberta's Agricultural Processing Companies**

Firms are listed in alphabetical order. Complete company information is provided including address, telephone, fax, email, web site, management contacts, export contacts, products and brands.

**4. Alphabetical Listing of Industry Organizations**

Complete information is provided for key industry organizations including address, telephone, fax, email, web site, and contacts.

**5. Index by Location**

Firms are listed by their location. An Alberta map has been included for reference purposes.

Considerable effort has been taken to ensure the accuracy of the company listings and information shown and we regret any errors or omissions. The directory was prepared by the collation of information made available to Alberta Agriculture and Food and neither the Department nor any of its employees assume any legal liability or responsibility for the accuracy, completeness or usefulness of the information. The listing of any company or product in this guide does not reflect an endorsement of the company or product by Alberta Agriculture and Food.

We ask your assistance in keeping this directory current. As changes occur in the information presented for any company or organization listed, or if you are an Alberta processor and wish to be included in the next edition, please contact:

# Alberta's Agricultural Processing Industry

## Business Expansion & Commercialization

---

Alberta Agriculture and Food's Business Expansion & Commercialization Division supports the sustainable growth and diversification of Alberta's agri-processing industry. The Division works with existing businesses to expand their businesses, commercialize new ideas, and attract new investment to Alberta. Development Officers can provide technical expertise, market information, business development advice, business finance, industry best practices, and the identification of expansion or investment opportunities. Information and services related to feasibility studies, joint venture/alliance partners, sources of capital, site location assistance and infrastructure development can be provided to facilitate business growth. Critical issues that constrain growth and impact investment decisions such as access to labour are identified and solutions are sought.

### Business Commercialization Branch

**Agri-Food Business Centre, 6547 Sparrow Drive, Leduc, Alberta T9E 7C7**

**Phone: 780-980-4237 Fax: 780-980-4237 (Toll Free 310-0000)**

The Branch provides advice and coaching to help clients with critical financial activities and practices; supports industry client in important business practices related to the field of labour and human resources; and provides the advice needed to benefit from lean manufacturing. The Branch also provides technical and business development advice to companies working within the Agrivalue Processing Business Incubator.

### Livestock Products Branch

**304, 7000 - 113 Street, Edmonton, Alberta T6H 5T6**

**Phone: 780-427-7325 Fax: 780-644-2400 (Toll Free 310-0000)**

The Branch provides support to livestock producers in value chains to expand livestock production to supply slaughter capacity, identify new markets including diversified livestock and add value to primary production. Development Officers assist processors of meat products and other products derived from livestock including dairy products, pet food and non-food products.

*...Your connection to resources for business growth!*

### Processed Foods Branch

**301, 4920 - 51 Street, Red Deer, Alberta T4N 6K8**

**Phone: 403-340-5323 Fax: 780-340-4896 (Toll Free 310-0000)**

The Branch provides assistance to processors of: bakery products; beverages (alcoholic & non-alcoholic); confectionery; feeds & other feedstuffs; fruit & fruit products; grains & cereal products; herbs, spices & seasonings; oilseeds & edible oil products; pasta & pasta products; processed forages; snack foods; special crops; specialty foods; sugar, honey & sweeteners; and vegetables. Support for primary and secondary value-added processing of functional food, natural health products and ingredients is also provided.

### Key Services for Agri-Processors

#### Alberta Agriculture and Food

**Services for Agri Processors:**

**[www.agric.gov.ab.ca/app68/agriprocessors](http://www.agric.gov.ab.ca/app68/agriprocessors)**

This directory provides Alberta's agricultural processors with a comprehensive database of food distribution channels and other service providers. Each listing provides detailed contact information and available services.

#### New Ventures Specialist, Alberta Ag-Info Centre,

**Toll Free: 1-866-882-7677**

Support provided for New Ventures involved in agricultural related industries including food and non-food processing, farm direct sales, meat processing, ag-tourism, and organics. General advice and coaching provided in areas such as self-assessment, marketing, business planning, financing, regulations, pricing, and cost of production. Follow-up support and connection to Alberta Agriculture and other industry expertise provided.

**Agri-Business Strategies Branch**

**Agri-Food Business Centre, 6547 Sparrow Drive, Leduc,  
Alberta T9E 7C7 Phone: 780-980-4237**

The Marketing Unit supports and advises clients in developing marketing strategies and tactics for retail markets, foodservice markets and non-traditional markets. New Venture Business Coaches work with clients on business plan requirements, assessing target markets and identifying entry points for new products. The Value Chain Initiative specialists work with clients to evaluate the value chain approach and identify opportunities to deliver value to the consumer and the customer.

**BioIndustrial Technologies Branch**

**Agri-Food Discovery Place, Bld T-83, 6004 - 118 Street,  
Edmonton, Alberta T6N 2V8 Phone: 780-450-5505**

This Branch operates a facility equipped with a product development laboratory, physical properties testing laboratory and pilot plant where a staff of engineers and technologists conduct research and development projects aimed at solving problems encountered by agricultural value-added processing.

**Bio-Industrial Development Branch**

**304, 7000 - 113 Street, Edmonton, Alberta T6H 5T6  
Phone: 780-427-7366**

The Branch assists agri-processors in emerging agricultural sectors of bio-fuels, fibre and bio-plastic monomers, bio-lubricants, and cosmetic and personal care ingredients.

**Agrivalue Processing Business Incubator**

**4301 - 65 Avenue, Leduc, Alberta T9E 8T2  
Phone: 780-980-4244**

The Agrivalue Processing Business Incubator (APBI) is a newly opened 75,000 sq ft CFIA registered facility offering privately accessed, fully serviced food processing suites of varying size, design and leasing costs. It is complemented with shared shipping and receiving bays, and cold storage. The APBI is dedicated to assisting good processors in the scale up and commercialization of new products and technologies so they can eventually establish their own facilities. Early stage business entrepreneurs and the more established food organizations will find the Incubator and its campus of services a unique avenue for developing and processing an array of food products for the value-added market.

**Food Processing Development Centre**

**6309 - 45 Street, Leduc, Alberta CANADA T9E 7C5  
Phone: 780-986-4793**

A modern, fully equipped pilot plant and product development laboratory facility staffed with experienced food scientists, engineers and technologists. Centre services are designed to strengthen and expand the capability of Alberta's food processors to meet the challenges of the marketplace through application of new technology and the development of new or improved products and processes.

**Food Science and Technology Centre**

**Crop Diversification Centre South, SS #4, Brooks, Alberta  
CANADA T1R 1E6 Phone: 403-362-1339**

Staff at this facility conduct applied research in post-harvest handling, storage and value-added processing of horticultural and special crops and also provide technical leadership to ensure that Alberta companies have the specialized knowledge and capabilities to compete globally.

**Sensory Evaluation Centres**

**Food Processing Development Centre, 6309 - 45 Street,  
Leduc, Alberta T9E 7C5 Phone: 780-986-4793  
Consumer Product Testing Centre, 106, 10030 - 107 Street,  
Edmonton, Alberta T5J 3E4 Phone: 780-415-6268**

The Centre provides comprehensive sensory evaluation services, which include both consumer acceptability and trained panel testing. Through the use of trained panels, researchers and industry assess the effect of ingredients and processes on their product initially and over time by measuring human responses that cannot be predicted by chemical or instrumental measures. Consumer panels are also used to measure product acceptability and can provide information about specific product attributes such as flavour, appearance, texture and packaging.

**Alberta International,  
Intergovernmental and Aboriginal  
Relations****Agriculture and Food Branch**

**301, 7000 - 113 Street, Edmonton, Alberta T6H 5T6  
Phone: 780-422-9746**

The Agriculture and Food Branch is a primary point of contact for agri-processors that are ready and capable of pursuing export markets. With a focus on the international markets of the United States, Mexico, Asia and Europe, the Branch provides market intelligence and consultation on a specific country or product; assistance with export questions, issues or challenges; market access information; contacts for a particular market or specialized service; and networking opportunities for Alberta industry and international contacts.

## **Alberta Food Processors Association (AFPA)**

A non-profit organization representing all segments of the food and beverage industry: growers, processors, retailers, foodservice buyers, and service suppliers. AFPA brings many benefits to its members by helping them to build capacity, improve their knowledge, and their competitive advantage. AFPA offers quality programs and services including food safety and quality program development, training, marketing and logistics, and innovation. The Association acts as an advocate to provide a single voice for industry.

### **Alberta Food Processors Association**
